Join the Avon Walk for Breast Cancer, Boston!

For 2 days and 39 miles, you have the opportunity to dramatically impact the lives of millions affected by breast cancer worldwide. By participating in the Avon Walk on May 17-18, 2008, you'll allow medically under-insured women and men to receive the screening, support, and treatment they require. And leading-edge research teams will be powered in their search for a cure all because of you. Take the first step and see how you can get involved... as a walker, crew member, volunteer or donor! For more information, visit <http://www.avonwalk.org/> or call 617.576.3113. For 2 days, we will walk as one!
